### Reinforced Japs Battle Yanks On Leyte Island

Americans Hold Initiative  
Despite Increase In Force  
Of Enemy Defenders

ESTIMATE 35,000  
JAPS ON ISLAND

By LEE VAN ATTA  
(U. S. Staff Correspondent)

GEN. MACARTHUR'S HEAD-  
QUARTERS, Philippines, Nov. 10.—  
American infantrymen were still  
holding the initiative today in the  
bitter fight for Leyte island, despite  
heavy reinforcements by the Jap-  
anese.

Gen. Douglas MacArthur, in his  
morning communique, said units of  
the 24th infantry, commanded by  
Maj. Gen. Frederick A. Irving, had  
made substantial gains in the battle  
for Ormoc, last remaining Jap  
stronghold on the island, by seizing  
two commanding heights east of  
Ormoc road and greatly reducing  
the military value of the town and  
port of Ormoc.

**Heights Captured**  
The Yankee assault troops cap-  
tured the heights during the course  
of a broad advance south of Carig-  
ara bay, while American artillery  
units laid down a murderous bar-  
rage of long tom 155 millimeter  
shells and army warplanes provided  
effective air support.

It was estimated that at least  
35,000 enemy troops were in the  
Ormoc sector, but Gen. MacArthur  
indicated that the 24th, the 96th  
and the seventh infantry units were  
inflicting tremendously heavy casu-  
alties upon the Japs. Most of  
them have been killed.

He declared that Ormoc, now in  
range of artillery batteries, has been  
pummeled so heavily that it has  
been greatly reduced in value to  
the enemy as a port and supply  
base.

**Japs Reinforced**  
In spite of the hard driving tac-  
tics of the 24th, which is moving  
south on Ormoc, the Japs have suc-  
ceeded in bringing in reinforce-  
ments to the beleaguered strong-  
point from neighboring islands to  
replace their heavy losses.

In their drive from Carigara bay  
the 24th doughboys, battling thru  
torrential rains which turned the  
terrain into thick slime and mud,  
sailed right into the reinforced Jap  
lines and captured hill 1525 and  
Mount Minoro, east of the Ormoc  
road.

At the same time, the U. S. 96th  
infantry division, under command  
of Maj. Gen. James L. Bradley, was  
continuing its mopping up tasks in  
Leyte valley in the vicinity of  
Dagami and pushing westward for a  
junction with the 24th infantry,  
while some 14 miles south of Ormoc,  
the battle-wise seventh infantry was  
moving north from Baybay.

### PA NEWC Observes

Just a year ago this week some  
mean weather was encountered,  
snow falling on six out of seven  
days, and with the highest temper-  
ature ranging between 32 and 40  
degrees during the period.

Employees of some local institu-  
tions will enjoy their second holiday  
of the week tomorrow, Armistice  
day and election day in the same  
week provided two holiday occa-  
sions.

### MAY ASK RECOUNT

DETROIT, Nov. 10.—Although  
President Roosevelt was definitely  
credited with carrying Michigan by  
20,000 votes, Wayne county Republi-  
can leaders indicated they may ask  
a recount in districts where errors  
seems unusually high.

The board of canvassers is ques-  
tioning election board members  
from 16 districts where no returns  
had been received. Republicans were  
present today to watch the pro-  
ceedings.

### Daily Weather Report

United States weather statistics  
for the 24-hour period ending at 9  
a. m. today follow:

Maximum temperature, 67.  
Minimum temperature, 47.  
Precipitation, 16 inches.  
River stage, 4 feet.

Statistics for the same date a year  
ago follow:  
Maximum temperature, 39.  
Minimum temperature, 30.  
Precipitation, snow flurries.

### Beaten to Death

**Murder of Marie Rose Lacombe,**  
above, 14-year-old Salem, Mass.,  
high school student whose battered  
body was found near the high school  
football field, is being investigated  
by Salem police. An autopsy re-  
vealed that the girl, known among  
her classmates as a shy homebody  
without a "boy friend", had been  
criminally attacked and beaten to  
death. Her skull was fractured and  
a scarf tied about her neck.

### Workers Report \$33,683 At Noon; Totals Is \$117,47

### War Fund Drive Is Near Goal Sought For Year, Of \$125,000

Boosting the total for the United  
War Fund and Community Chest  
drive to within \$8,000 of the goal,  
division chairmen reported addi-  
tional contributions amounting to  
\$33,683 at today's report-meeting  
luncheon at The Castleton hotel,  
making a sum of \$117,472 collected  
so far.

A contribution of close of \$16,000  
from the industrial division was a  
major factor in the increase, and  
promises to add even further to the  
total. According to division chair-  
man, L. B. Round, who was the  
speaker at the luncheon, several  
industries, including one large one,  
have not yet completed their re-  
ports. All of them seem to be solidly  
supporting the drive, Mr. Round  
added.

### Seven Divisions Over Top

Seven divisions are already over  
their quotas, with the furniture di-  
vision, under Irvin Robins, report-  
ing an additional \$144 after reach-  
ing its quota at the last report  
meeting.

The automobile division, under  
L. J. Lewis, went 20 per cent above  
its \$2,250 quota at today's meeting,  
while the bus companies division,  
under P. W. Triplett, the school  
teachers and administration, under  
Miss Martha Matthews; restaurants,  
under Spier Marousis; banks, under  
Joel McKee, and printing, under  
Robert Strickler, also went "over  
the top." Several other divisions are  
only a few dollars away from their  
goals.

With the goal so near at hand,  
W. E. Langan, vice chairman of the  
drive, urged the chairman and their  
workers to redouble their ef-  
forts.

### Asks Soldier Ballots Be Kept Locked In Safe

Acting upon a letter received  
from State Democratic Chairman  
David L. Lawrence, County Chair-  
man John B. Shaw, today pre-  
sented a request to the county com-  
missioners that the military ballots  
now in the hands of the county  
commissioners be locked up in a  
safe place. Mr. Shaw handed the  
state chairman's letter to the com-  
missioners.

"There is no question of carelessness,  
nor suspicion," said Mr. Shaw,  
"it is merely a precaution to fore-  
stall any accidents in the matter of  
the military ballots. They are pre-  
sently in the county commissioners'  
vault in drawers but the vault is  
open all day. We believe they should  
be locked up where no one but the  
proper authorities can get at them."  
The commissioners were meeting  
this afternoon to discuss the re-  
quest.

### Nazi Defenses Near Budapest Being Blasted

Moscow Report Says Ger-  
man-Hungarian Losses  
Continue To Mount

RUSSIANS MAKE  
IMPORTANT GAINS

By NATALIA RENE  
(U. S. Staff Correspondent)

MOSCOW, Nov. 10.—The already  
staggering German-Hungarian losses  
continued to mount today as Rus-  
sian assault troops surged westward  
on fronts northeast and south of  
beleaguered Budapest, seizing more  
than 50 towns and villages and  
cracking the stubborn Nazi de-  
fenses of the vital Budapest-Miskolc  
railway.

Repelling nine enemy counter-at-  
tacks, the Soviet troops struggled  
across the river Tisza to score their  
most important gains northeast of  
the Hungarian capital.

**Plunge Through Defense**  
Marshal Rodion Y. Malinovsky's  
force plunged through a main Ger-  
man defense line on a 45-mile front  
along the Tisza. Pressing forward  
from the vicinity of Polgar south-  
ward to Abadszok, the Russians  
established a 25-mile bridgehead  
across the river, then penetrated  
Nazi defenses as far as Mezokor-  
esztes which lies only a mile away  
from the Budapest-Miskolc railroad.  
The towns of Mezoatarkany and  
Besenyotelek were among others  
that the Russians occupied. Their  
capture put the Red Army within  
three miles of Fuzesabony, a junc-  
tion point on the heavily defended  
railway.

The rail line, which connects Ger-  
man forces on the Hungarian and  
Czechoslovakian fronts, was vir-  
tually useless. It was hammered by  
Soviet guns, beating a pathway for  
the relentless advance of Malinov-  
sky's men.

**Heavy Fighting**  
South of Budapest, heavy fight-  
ing was in progress along the Danube  
river, according to fragmentary re-  
ports from the front. The Moscow  
communique did not mention this  
phase of the campaign specifically.

### City Of Forli In Italy Taken

### British Announce City On Italian Front Is Cap- tured From Enemy

By JAMES L. KILGALLIE  
(U. S. Staff Correspondent)

ROME, Nov. 10.—The British  
Eighth Army in Italy has captured  
the city of Forli, German strong-  
hold on the Rimini-Bologna high-  
way, headquarters of Gen. Sir Henry  
Maitland Wilson announced today.  
Forli was captured last night and  
250 enemy troops were taken  
prisoner in the final assault.

The entry into the city itself was  
effected after Eighth Army forces  
had seized the greater part of the  
Forli airfield.

South of Forli other Eighth Army  
troops crossed the Rabbit river and  
advance patrols reached the Monte-  
rone river. The Nazis hold the  
west bank of the waterway there  
in force.

On the Fifth Army front Negro  
troops continued to score gains in  
the west coast sector. They occupied  
Azzano, Terreina and Lavagna.

Forli was heavily defended by the  
Nazis. They fought grimly to hold  
their valuable communications set  
up there even after the fall of the  
vital Forli airfield.

West of the Montone river, Polish  
troops of the Eighth Army con-  
tinued their general advance across  
the rugged terrain, capturing the  
strategic heights of Monte Bora,  
among other objectives.

### Frankfurt And Cologne Bombed

LONDON, Nov. 10.—(INS)—Air-  
fields, transportation lines and in-  
dustrial plants in the Frankfurt and  
Cologne areas of Germany were  
rocked again today by giant forma-  
tions of American heavy bombers  
and fighters totaling at least 1,350  
warplanes.

More than 750 B-17 fortresses and  
liberators of the U. S. Eighth Air  
Force formed the backbone of the  
assaulting formations, escorted by  
some 600 Mustang and Thunderbolt  
fighters.

Earlier in the day, observers on  
England's channel coast watched  
two strong forces of planes sweep  
over the area.

### No Phone Calls On Game Tonight

New Castle high school  
football team plays the final  
game of the third wartime  
season tonight at Warren,  
Ohio. Due to the fact that  
Ohio has returned to Eastern  
Standard Time for the winter,  
the game will not be started  
until 9 o'clock New Castle  
time. Hence, no information  
will probably be available on  
the first quarter until 9:30 at  
the earliest and the final  
score will not reach the city  
until after 11 o'clock.

War-time conditions prevent  
any information on the game  
being given over the phone by  
The News, so do not call.  
The score will be posted as  
usual at The News.

### President Is Given Rousing Welcome Home

Makes Triumphant Proce-  
sion Through Washing-  
ton This Morning

By MARTHA KEARNEY  
(U. S. Staff Correspondent)

WASHINGTON, Nov. 10.—Presi-  
dent Roosevelt thanked a throng  
of Washingtonians for a "very won-  
derful welcome home" today in an  
extemporaneous address at Union  
station before he began his trium-  
phant procession to a fourth term in  
the White House.

In a victorious, jovial mood, the  
chief executive added he hoped that  
when he used the word "home" that  
newspapermen would not intimate  
that he intended to make Washing-  
ton his "permanent" home for the  
rest of his life.

Mr. Roosevelt, seated before radio  
microphones in an open car, de-  
clared that he had formed a "great  
affection" for the capital during the  
eight years he spent in Washington  
as assistant secretary of the Navy  
under President Woodrow Wilson,  
the 12 years as president, "and now  
the four more years to come."

**Truman And Wallace In Car**  
Mr. Roosevelt, flanked by Vice  
President Henry Wallace, and Vice  
President-elect Harry S. Truman,  
who rode in the automobile with  
him, expressed his gratitude for the  
great contribution that government  
workers are making towards win-  
ning the war.

He expressed his thanks also, to  
all residents of Washington who  
contributed to the war effort by  
making it possible for government  
war workers to live in the capital.  
President Roosevelt was met at  
his special train by virtually all the  
members of his cabinet, excepting

### Armistice Day Of 1918 Recalled

### Major Gen. Raborg Recalls Final Fighting In Metz Area Of Last War

By MAJOR PAUL C. RABORG  
(Written Especially For N. S.)

NEW YORK, Nov. 10.—Today is  
the day before Armistice Day and  
General George S. Patton Jr.'s  
Third Army is once again crashing  
ahead for gains northeast of Metz.  
Just 26 years ago I spent Armis-  
tice Day in front of Metz and can  
never forget by undisguised delight  
when the shooting and killing  
stopped. Also I can never forget  
the pitifulness of the men who were  
killed on that last day of the war.

**No Day Of Celebration**  
Armistice Day of World War I  
is no longer a day of celebration.  
It is merely a day of honoring our  
men and those of our Allies who  
died during that war.

The things they fought for—  
"the war to end wars"—and "to  
make the world safe for democracy"  
—were not accomplished. And  
strange to say your writer knew it  
as well on November 11, 1918, as he  
knows it today. However, he felt  
that the Armistice had saved his  
own life, and he was glad. No mat-  
ter how we try or what we go  
through, it seems that human na-  
ture must remain essentially selfish.

**Attacked Hindenburg Line**  
The Second Army attacked the  
Hindenburg Line on the day of  
November 9-10, 1918. The Second  
Army was ill-prepared, and largely  
lacking in artillery support. None of  
the men of your author's division

### Industry Here To Be Expanded

Frank C. Douds Company  
Inc., Buys Site For New  
Additional Plant

WILL BE ERECTED  
ON MAHONING AVE.

Another industrial expansion for  
New Castle was announced today  
when Attorney Marshall G. Man-  
they, president of the Greater New  
Castle Association, reported the sale  
of part of the GNCA property in the  
seventh ward, now used as the  
Booker T. Washington playground,  
to Frank C. Douds and company,  
Inc.

The sale comprises the Booker T.  
Washington building and part of  
the land now used for recreational  
and industrial baseball games. Ar-  
rangements have been made to  
move the baseball field to another  
part of the property.

### Will Erect Plant

A building will be built on this  
property in order to meet the de-  
mands for increased production of  
essential war material that they are  
making at their main plant on  
South Mill street. Officers of the  
Frank C. Douds company are K.  
B. Bowman, president; R. H. Cun-  
ningham, treasurer; J. C. Calhoun  
of Cleveland, secretary.

On December 11, 1941, the Greater  
New Castle Association announced  
the sale of the Frank C. Douds  
company to Mr. Bowman. This plant  
had been operated for 57 years by  
Frank C. Douds and during the  
later years had become a one-man  
manufacturing plant of jet pumps  
for steel companies. Since then,  
the company's production has been  
entirely as a subcontractor of high  
priority war material. The original  
plant has been expanded and mod-  
ernized and at peak periods has  
employed in the neighborhood of  
200 people. This new expansion will  
enable them to increase their pro-  
duction as well as their employ-  
ment.

### Peacetime Plans

After the war, it is the intention  
of this company to build a larger  
plant at the new site for peacetime  
production. This is a locally owned  
company which has grown to be-  
come one of the substantial smaller  
industries of the community.

This growth and expansion are  
made possible only by the coopera-  
tion of several parties. Much credit  
is due the City Council and those  
who have been using this property  
for their cooperation in making it  
possible to move the recreational  
facilities, that the property may be  
used for industrial purposes. The  
new building is an addition to the  
present plant facilities of the Frank  
C. Douds Co.

### Call For 285 Blood Donors

Today the Red Cross is  
calling for 285 volunteer blood  
donors to fill appointments  
still open for the first four  
days that the blood donor  
service unit will be in New  
Castle. Monday through  
Thursday of next week.

It will be at the First  
Presbyterian church from  
November 13-22. Phone 5084  
for an appointment.

### Giant Forces Of Bombers Sweep Across Channel

LONDON, Nov. 10.—(INS)—Two  
giant forces of strongly escorted  
Allied bombers swept over the  
channel from England today to re-  
new the ceaseless air blasts at the  
Axis.

The total force apparently was of  
exceptional strength for the roar  
of the motors from the flight was  
heard over London for more than  
half an hour.

Massed formations of U. S. Fly-  
ing Fortresses which crossed the  
Straits of Dover left vapor trails all  
through the clear skies. More than  
100 were seen moving out to sea  
shortly before 11 a. m. British time,  
(6 a. m. EWT) and moments later  
hundreds of others followed in  
groups of 20 and 30 planes.

Later the second force of es-  
corted heavies streamed over the  
English east coast for 90 minutes.

Early today coastal residents  
heard a series of thumping explo-  
sions apparently in Dunkerque, the  
French channel coast port where a  
Nazi garrison still is holding out.  
They were exceptionally violent and  
lasted for many seconds.

### Patton's Army Cuts Highway

Third Army Slashes For-  
ward To Score New Gain  
Of Three Miles

ADVANCE MADE  
ON ALL SECTORS

By PIERRE J. HUSS  
(U. S. Staff Correspondent)

WITH THE U. S. THIRD ARMY  
IN FRANCE, Nov. 10.—Third Army  
assault forces commanded by Lieut.  
Gen. George S. Patton Jr., cut the  
highway from Nancy to Saarbrücken  
today after slashing forward during  
the night to capture the highway  
town of Chateau Salins and score  
a new gain of three miles.

### Ridge Is Seized

The dominating Delme Ridge,  
northeast of Nancy and slightly  
northwest of Chateau Salins, also  
was seized.

Breasting continued rain, snow  
and soggy terrain, Gen. Patton's  
armor and infantry advanced on  
all sectors. Whereas resistance was  
tough on the northerly sectors, op-  
position decreased and was either  
scattered or poorly organized farther  
south of Metz.

The capture of 1200-foot high  
Delme Ridge, 17 miles northeast of  
Nancy was achieved at 11 p. m. by  
troops of the 80th Infantry division.

### Governor Dewey Going To Georgia For Rest Period

By LEO W. O'BRIEN  
(U. S. Staff Correspondent)

ALBANY, N. Y., Nov. 10.—Gov.  
Thomas E. Dewey, obviously pleas-  
ed by the huge popular vote given  
him in Tuesday's election, announced  
today that he will leave Albany  
tomorrow morning, with his family,  
for a post-election rest at Sea  
Island, Ga.

Caught up on accumulated state  
business, the governor plans to be  
away from the Capitol for at least  
two weeks. He will be accompanied  
to Sea Island by Mrs. Dewey, their  
two sons, Thomas E. Jr., 12, and  
John Martin Dewey, 8. Paul E.  
Lockwood, secretary to the governor,  
and Mr. and Mrs. Carl T. Hogan,  
intimate friends of the Deweys,  
will be joined there later,  
probably next week, by Mr. and  
Mrs. Roger Straus of New York  
City.

### HIGHWAYS SLIPPERY

Pennsylvania State police here to-  
day urged caution in operating mo-  
tor vehicles on state highways.  
"Wind has blown leaves on high-  
ways and they are wet. Drive cau-  
tiously and avoid skidding," was  
their warning.

### Main Road From Saarbrücken To Nancy Is Cut

Advances Take Gen. Pat-  
ton's Forces To Within  
Six Miles Of Enemy  
Frontier

LOUVIGNY FALLS  
TO U. S. FORCES

By THURSTON MACAULEY  
(U. S. Staff Correspondent)

### SUPREME HEADQUAR- TERS, Allied Expeditionary Force, Nov. 10.—American Third Army troops struck forward along a 75-mile front below the German Saar basin today and, in gains up to seven miles, cut the main road from Nancy to Saar- brücken and reached within six miles of the enemy fron- tier.

Lieut. Gen. George S. Pat-  
ton's mud-spattered Dough-  
boys drove the Germans  
back for distances ranging  
from five to seven miles as  
they increased their retreat  
to Metz and Germany's key  
industrial sector. Enemy re-  
sistance continued slight or,  
at best, moderate, but rain  
and sodden roads still  
hampered the speed of the  
American movements.

**Louvigny Taken**  
The bastion town of Louvigny, 10  
miles south of Metz, was taken by  
armored and infantry columns  
which continued their advance  
northeast of the city. Thuez St.  
Martin, three miles northeast of  
Nomeny, also was taken from the  
enemy.

Hard-hitting tank units over-ran  
the Metz-Nancy highway at Delme,  
effectively throwing a steel wedge  
across it before slashing forward  
three more miles to the northeast,  
official spokesmen at Gen. Dwight  
D. Eisenhower's headquarters an-  
nounced. Earlier, the cutting of the  
Nancy-Saarbrücken road was re-  
vealed.

The razorback hill known as Del-  
me Ridge outside of Chateau Salins,  
which also was taken, fell to the  
Third Army. The ridge offers "a  
valuable observation post over open  
country," according to official  
sources.

**Push Toward Railway**  
Northeast of this area, Patton's  
spearheads pushed to within five  
miles or less of the Metz-Saarburg  
railway which now is under such  
a severe threat that the enemy  
probably will be unable to utilize it.

One mile north of Chateau Salins,  
itself about 17 miles northeast of  
Nancy, the doughboys took Coutures  
and penetrated one mile inside the  
Forest Chateau Salins. In their  
drive, they reached the hamlet of  
Hampont, three-and-a-half miles  
east of Chateau Salins on the  
Nancy-Saarburg railway.

The Metz-Chateau Salins road  
was severed, with American troops  
operating two or three miles east  
of the highway.

Up until noon today (7 a. m.  
EWT), General Patton's men took  
1,500 prisoners since the opening  
of their attack. General Eisen-  
hower's spokesmen revealed.

**Action Flares On Quiet Sector**  
At present, even the seven-mile  
sector of relative quiet in the cen-  
ter of the Third Army line is be-  
ginning to flare into action, they  
added. In addition to rain and wet

Confesses Slaying Girl Last  
Sunday Night

BOSTON, Nov. 10.—(INS)—The Boston American, in a copyrighted story, said today that Frank Szymonowicz, 26, of Utica, N. Y., has confessed in Putnam, Conn., to the slaying of Marie R. Lacombe, Salem High school sophomore, last Sunday night.

The girl's ravished body was found near a football field in Salem.

The newspaper said Szymonowicz, who has lived in Lynn for the past year, walked into police headquarters and asked for lodging. Seeing a newspaper with a picture of the dead girl, thrust before him by police, he allegedly said:

"I know that girl. I killed her." He then pleaded to go to bed, police said, because "I'm awfully sleepy."

He was quoted by the newspaper as saying:

### Went For Walk

"I met the girl Marie Sunday afternoon at the movies and I asked her for a date that night. She met me and we took a walk. I don't remember where we went but I know it was a little outside the city."

"I tried to kiss her and we got into an argument. Then I punched her with my fist and afterwards picked up something and belted her with it. I don't know whether it was a club or a rock."

"But I got what I wanted. Afterwards I got scared and beat it to Utica to see my folks."

In Utica, Szymonowicz' mother told the Boston American the youth left home last July and said he was going to Lynn.

Immediately after the alleged confession, Putnam police questioned the suspect concerning the unsolved killing of Frances Cochran, 19-year-old Salem bookkeeper, whose body was found near the Lynn-Salem line, just a mile from where Marie was killed.

Szymonowicz was held for Massachusetts police.

### BUSES NOT HERE YET

Shenango Valley Transportation company attaches today reported that, as yet, they had received no information as to the exact time they would receive two new, large buses promised the company in November.

### INSPECT AUTOS TUESDAY

State police stated today that persons who desire an operator's test may receive it Tuesday between 9 a. m. and 4 p. m. in Sampson street. More than two score took the test last Tuesday.

## ARMISTICE DAY OF 1918 RECALLED

(Continued from Page One)

did more than get through first of the barbed wire in that then famous Hindenburg Line. Your writer's division was in front of Metz, just where General Patton's Third Army is now fighting. He commanded the Twenty-first Machine Gun Battalion which was the heavy machine guns of the Fourteenth Infantry Brigade of the Seventh Division, which of late so covered itself with glory in the desperate fighting in our Pacific area.

Your author spent the last night of the war in a ruined French farm house at a tiny village called Moulin de Jaunay. He slept on a cement floor in his overcoat. His blankets had been abandoned.

### Armistice Saved Many Lives

But enough of personal experiences. Shortly after the armistice we visited Metz and were convinced that the armistice had saved many lives. That is why I know what General Patton and his Third Army are up against today. For they are fighting over exactly that same territory. In fact reports have already reached this country that the Germans have reconstructed and are now fighting in their old World War I fortifications.

But here is the significance of that Armistice Day 26 years ago. It was known then that though the Allies had won the war, Germany had been victorious. Her armies were intact. They could have been annihilated. Germany was unscratched. Rumors had been heard of food shortages. They were not true. Yes, the Germans were lacking in items such as chocolate, soap, matches, etc. But there was absolutely no suffering from actual loss of food. The villagers were fat and sassy.

The Allies left untouched the foundation on which this World War II has been built. Every person in the United Nations and the United States should pray that this time the German war lords, and their Prussian military cult will be entirely exterminated.

Many lives are being lost today. Many men are being hopelessly maimed. But if the United Nations stop this time before the job is done—millions of men again will die in another war "to end all wars."

### GATHER LEAVES

City Street Department trucks were busy during the past several days collecting leaves from North Hill streets. Whenever wet the leaves are more easily handled street workers report.

### SERVICE IS GOOD

Although canning season has passed garbage is yet heavy. However, housewives report that the city garbage department gave excellent service during the canning and post-canning season.

## Deaths of the Day

### Mrs. Eleanor Mays

ground, enemy mines are adding another difficulty to the American drive, these sources said.

East of Mezieres Les Metz a slight advance was scored despite a German counter-attack, while additional gains were etched out in the sector south and southeast of the Moselle bridgehead near Koenigs-macher, where the doughboys also were forced to beat off a Nazi counter-blow.

These were the only two enemy efforts to stem Patton's drive since the veteran three-star general began his newest offensive.

At the northern end of the newly activated battlefield American troops driving ahead northeast of Thionville after crossing the Moselle river punched their way to within a few miles of the Saar region.

### Capture Dominating Ridge

The overnight attack which enabled the Americans to seize Chateau Salins northeast of Nancy, also resulted in capture of the dominating Delme ridge, 16 miles northeast of Nancy.

The troops commanded by Lieut. Gen. George S. Patton Jr., which smashed across the Moselle river north of Metz already has established a substantial bridgehead, headquarters announced.

They speared ahead closest to the Reich frontier northeast of Thionville, driving forward in the Koenigs-macher area some six miles below Mettlich, in the Saar.

An official spokesman at headquarters of Gen. Dwight D. Eisenhower said that southeast of Metz part of the seven divisions now in action were advancing uniformly across a 20-mile front. These forces pressed a two-pronged assault with only a seven-mile gap of quiet front separating their columns.

Advances of two to four miles were chalked up as the Yanks slogged forward against German opposition that continued to remain slight.

General Patton's chief obstacle was the rain-sodden ground. The American commander threw in one armored division northeast of Nancy but as yet no substantial number of German tanks were encountered. Armored action by the Germans so far has consisted only of defensive local tank support.

The Third Army operations, according to the headquarters spokesman, generally are going well.

## Fombell Infantryman Is Killed In France

Pvt. Arthur Cleland, Previously Reported Missing In Action,  
Now Reported Dead

Pvt. Arthur Bauder Cleland, 29-year-old Fombell soldier, was killed in action, according to a War Department telegram received by his wife, Mrs. Helen Cleland, R. D. 1, Fombell.

Previously reported missing in action in France since August 12, Pvt. Cleland is now reported killed in action on August 5. Sent overseas last June, he was immediately assigned to active duty with the infantry. Besides his wife, he leaves his parents, Mr. and Mrs. Roy Cleland of Portersville, and one sister, Mrs. Ruth Frazier of Slippery Rock.

## PATTON'S ARMY CUTS HIGHWAY

(Continued from Page One)

Its occupation robbed the Germans of a key point which dominates the battlefield and almost all of the Metz Valley, permitting observation over a radius of many miles.

The Delme ridge swept up from the valley like a sleeping elephant and no matter which way I turned my jeep, the German observers had a bead on us. For the past two days they tossed shells repeatedly at any of our movements but seizure of the ridge stopped this irritating Nazi procedure.

### Taken By 26th

Chateau Salins, the vital highway town eight miles southeast of Delme ridge was taken by the 26th Yankee division which encountered no opposition as it entered the former Nazi strong point at 11:00 p. m. troops of the 35th division meanwhile punched their way for a mile into the adjacent Salins forest.

While the 30th division was working its slippery way up the slopes of the Delme ridge, the Fourth Armored division by-passed the town of Delme a mile from the heights and reared forward for three miles to fight their way into the Viviers, Hammocourt and Fontigny areas.

The German line bent back during the morning under the cover of artillery and mortar fire. Yesterday afternoon the German fire decreased considerably, indicating they were withdrawing their guns.

Only one counter-attack, a column of infantry spearheaded by two tanks, was launched during the day in the vicinity of Koenigs-macher 19 miles north of Metz and this thrust was beaten back by the Yank 90th division.

Our Thunder Bolts caught sight of German tanks moving toward the Third Army front and tore into them with a searing attack.

Fifteen tanks were disabled or damaged, which apparently broke up that attempted counter-attack.

## NAZI DEFENSES NEAR BUDAPEST BEING BLASTED

(Continued from Page One)

Danube at the town of Zombor, 10 miles northeast of Abatin, Jugoslavia, and roughly 175 miles south of the Hungarian capital, according to a German DNB agency report heard in London. German sources also revealed the Soviet army was slashing against a Nazi-held bridgehead on the east bank of the Danube near Dunafoldvar, only 40 miles south of Budapest.

Soviet artillery continued to hammer directly at Budapest, the big guns firing from the city's outskirts. The Moscow war bulletin failed to state the situation prevailing before the city.

(Partially substantiating the Alger report was a BBC broadcast, heard by NBC and quoting Nazi reports which stated the Germans are under taking complete evacuation of all male civilians from Pest, the half of Budapest situated on the east bank of the Danube.)

With nearly half of Hungary in possession of the Red Forces, the Soviet information bureau announced that Malinovsky's second Ukrainian army killed more than 100,000 enemy troops during the last month.

### Wildly Cheering Crowd

As the motorcade proceeded down historic Pennsylvania avenue, where the president had passed in three other triumphal processions, he waved his hand and grinned broadly at the wildly cheering crowds.

Mr. Roosevelt wore a battered felt hat and a raincoat, instead of the Navy cape he has chosen on other occasions.

When the president arrived at the White House, he was greeted warmly by members of his official staff.

Mrs. Roosevelt, who accompanied the president to Washington also participated in the parade. She rode in a closed car with her daughter, Mrs. Anna Roosevelt Boettiger, and Mrs. Wallace, wife of the vice president.

P. & L. E. Freight Handler Meets  
Death After Fall From Railroad  
Trestle In Seventh Ward

Ike Monroe Hazlett, aged about 45 years, a freight handler on the P. and L. E. railroad, who resides at the P. and L. E. railroad camp at New Castle Junction, met death sometime during the night in a peculiar accident. His death is believed to have occurred sometime after midnight.

Hazlett, it is believed, fell from the overhead crossing of the B. and O. and P. and L. E. railroads, just below Cherry street, a distance of about 30 feet, and after alighting below, was caught by a Pennsylvania freight train and dragged to a point several hundred yards south sometime later in the night. His body was found about 7 o'clock this morning by workmen of the Pennsylvania Railroad Company. An investigation by Coroner T. F. Nugent revealed the above facts.

He has a divorced wife and two children who reside at 2711 Dearborn street, Youngstown, O., fellow workmen stated, and in addition, leaves his mother, two brothers, and a sister who reside at Portage, Pa.

## Council Starts To Make Up Budget

Members of city council met informally in the municipal building today to begin preparation for operation of the city during 1945. Estimated appropriations will be compiled after which it will be determined how large a tax levy must be made to derive the revenue. The tax revenue here for 1944 is 13 mills, one mill above 1943. Mayor John P. Haven says he is opposed to raising the millage.

## TRAINS COLLIDE

PITTSBURGH, Nov. 10.—(INS)—Two east-bound Pennsylvania freight trains collided today in the Seely yards, near the Thornburg bridge.

Carrier officials reported an engine and two freight cars were derailed and two tracks were blocked, but added that no one was injured.

## READING CIRCLE TO MEET MONDAY

The Reading Circle will meet Monday afternoon, November 13, at the home of Mrs. Wilbur E. Flannery, 1511 Highland avenue. Program subjects for the afternoon will be "Background of the Peace Movement" by Mrs. W. C. Wallace and "Looking Toward a Postwar World" by Mrs. John Z. Street.

## ROUND-UP CLUB PLANNING PARTY

Round-Up club members met Thursday evening in the club rooms, South Mill street, with Mrs. Ruben Pratt, vice president in charge, and plans were made for a Christmas party.

It will be held Sunday, December 16, in the club rooms. Card playing was the pastime, and the club tokens were won by Mrs. James Cople and Mrs. George Ross. The birthday of Mrs. Joseph Bordonaro Jr. was honored and she received a gift.

Afterwards a dainty lunch was served by the committee: Mrs. Louis Gaspare, Mrs. Ruben Pratt, Mrs. Sam Bullano, Mrs. Charles Augustine and Mrs. Thomas Maciarelli.

December 7 is the meeting, hostesses being Mrs. Anthony Bullano, Mrs. James Cople, Mrs. Carl Richards, Mrs. Charles Petrucci, Mrs. Angelo Sands and Mrs. George Ross.

## Ross-Pragacz Wedding

Using the double ring ceremony, Miss Marie Ross, daughter of Mr. and Mrs. Joseph Ross, R. D. 7, was married to Edward Pragacz, son of Mr. and Mrs. Frank Pragacz, 4 East Ralph avenue, in St. Vitus church Saturday morning, Nov. 4, with Rev. Fr. Albert M. Inteso officiating.

Wearing a duchess satin gown and a veil of imported illusion, the bride carried a prayer book ornamented with orchids and streamers. She was given in marriage by her father.

As maid of honor Miss Florence Litwincz was dressed in orchid, while the bridesmaids, Miss Lucille Ross, Miss Patricia Ross, Miss Stella Pragacz and Miss Virginia Slyk were gold. Joe Dadejelek served as best man, while the ushers were Frank Kharski, Ted Laski, John Klabin and John Mastern.

Following a wedding dinner for the wedding party and their relatives, a reception was held in SS. Philip and James parish hall. The young couple left that evening for a wedding trip to New York and Boston, from which they will return to live with the bride's parents on R. D. 7.

Mrs. Pragacz is employed at the Shenango Pottery, where she will continue to work, while the groom is employed at the United Engineering. Both are graduates of Shenango high school, class of 1939.

Out-of-town guests at the wedding included Mr. and Mrs. Albert Frengel of West Virginia and Mrs. Frank Frengel of Boston.

## SILVER WEDDING FOR J. HOGUES, TUESDAY

Mr. and Mrs. James Hogue of Castlewood will celebrate their silver wedding anniversary on Tuesday, November 14, with "open house" at their home. Relatives, friends and neighbors are invited to share the informal reception planned for the afternoon and evening hours on this date.

Officiating at the ceremony 25 years ago was Rev. H. A. Lewis, pastor of the Baptist church. Vows were exchanged at the ceremony performed at the bride's residence on Grant street.

Mr. and Mrs. Hogue are the parents of four children: Mrs. Evelyn Welsh, Miss Elsieetta Hogue, Clarence Hogue and Miss Viola Hogue. Also they have two grandchildren, Ronald and Deloris Welsh.

A family dinner served at 6 o'clock will be a highlight.

## FAREWELL PARTY FETES NAVY MEN

A farewell party for Bob Reed and Harold Peterson was held on Thursday evening at the home of Mrs. Teresa Viviano, 301 South Jefferson street.

The boys departed this morning to assume new duties in the U. S. navy.

Early in the evening, a delicious spaghetti dinner was served, the hostess being assisted by her daughter, Caroline. Games featured with prizes going to Thelma Johnson and Jean Moffett.

Approximately 20 were in attendance, with special guests being Fred Jenkins and Bob Pander. Dancing was a later pastime.

The honored guests each received a useful gift.

## MRS. MOORE RECEIVES READING CIRCLE '06

Members of Reading Circle '06 were entertained Thursday afternoon at the home of Mrs. L. T. Moore, Morton street.

"A famous medical doctor's name" was given in response to roll call. Mrs. Jennie Shaffer presented a paper on "The Third Wonder." "What the British Empire Means" was the title of Mrs. J. H. Griner's contribution.

"Getting Old, So What?" was the subject chosen by Mrs. Ira Alford. A poem, "Her Friend" was read by Mrs. W. R. McKnight. A general discussion followed.

Mrs. Jennie Shaffer of Bully avenue will receive the circle December 7 in her home.

Junior Woman's club met Tuesday evening at the home of Mrs. John Dixon, 213 East Lincoln avenue, with Miss Sally Nitsche as co-hostess.

Speaker of the evening was Mrs. Marshall G. Matheny, who gave a reading of "Cinderella." Alice Duer Miller's poem.

Plans were made for a club project on November 18. The club has made a contribution to the United War Fund. Refreshments were served.

On Sunday, November 19, the club will have a Thanksgiving tea at the home of Mrs. James A. Rugh, Walmo.

F. F. Club Meets  
An enjoyable meeting of the F. F. club was held Wednesday evening at the home of Mrs. Edward Malley, Federal street.

Tables of 500 were in play, high score prizes going to Mrs. Nicholas Casalandra and Armenia DeFlore. At the close of play a dainty lunch was served by the hostess, with the aid of Mrs. William DeCarbo and Anita Audia.

### THE PARENT PROBLEM

(Continued From Page Four)

write the figure 9 with 8 under it. Draw a line beneath the 8, and below this line write 17. Call this the learning side. On the other side of the card write only 9 with 8 under it, omitting the 17. Call this the testing side.

Persuade him to study only a few of these cards each evening, always reviewing all the old ones before attacking new ones. Help him make similar cards for the subtraction and multiplication facts he does not know induce him to be very careful. Once he knows a number fact he can say it quickly.

The more he hurries the more mistakes he makes. Don't confuse the product with the process. Don't be so stupid as to suppose that you can, by hurrying him, help him learn to answer quickly. One reason why so many children learn so slowly is because they have to work so fast.

OPA TAKES ACTION  
PITTSBURGH, Nov. 10.—(INS)—The OPA today continued its drive to hold down prices in the Western Pennsylvania area by taking court action against five persons and establishments.

Preliminary injunctions were granted against three merchants, enjoining them from selling meat at higher than maximum prices, in suits filed by the OPA. They were Angelo's Market, New Castle; Dominick Caranese, trading as Caranese Meat Market, New Alexandria, and Charles Kraska, Eastvale, Beaver county.

Can't Fire Robots Across Atlantic

WASHINGTON, Nov. 10.—(INS)—Reliable military authorities declared today that there is very little danger that the Germans will be able to fire the projectiles across the Atlantic "in this war."

With further development, however, it might be done in the future, it was stated.

WINTERIZING AUTOS NOW

Auto owners are winterizing their cars according to observation at various service stations throughout the city. At this time of year weather conditions are treacherous and anti-freeze is in demand.

One specialized group in a colony of a certain ant species does nothing but weed the fungus grown by the colony for food.

Parent-Teachers

Rose Avenue Unit  
Corporal West, one of the physiotherapists at the Dehon annex, will speak to the Rose Avenue Parent-Teachers Association Tuesday night, November 14, when the chapter meets. It was announced today. A number of the men from the annex will be guests of the evening, it is expected.

## Local Man Keeps Trucks Rolling On Road Into China

Capt. Robert B. Jameson With First Truck Company On Ledo Road

Capt. Robert B. Jameson, of this city, who is in China with the American First Truck Company of the American Army service forces, has the job there, together with Second Lt. Clifford S. Powell, of Coal Center, Pa., to keep American trucks and supplies moving along the Ledo road from India as far as China, and over the difficult route from there to American bases closest to Tokyo. They are also responsible for the continuous operation of all Chinese commercial and government vehicles carrying supplies.

This information is from a press release from Kunning, China, in the New York Times for Tuesday, November 7.

Capt. Jameson is the son of Dr. and Mrs. P. B. Jameson, of 211 East Lincoln avenue, this city, and the husband of Mrs. R. B. Jameson, Jr., of the same address.

It is by means of the primitive supply line stretched across six Chinese provinces by the American Army service forces that the "American Flying Tigers in East China have been able to stay in the air during the desperate battling of recent months," according to the dispatch.

The American Army service forces and Chinese organizations working as a team have not only pushed material over the winding unimproved Chinese roads to supply the Fourteenth Air Force bases but have evacuated Chinese factories, workers, and army equipment to the rear. Supplies move by truck, railway, junks, and sampans forward through the combat area.

## Belgians 'Swell', Local Soldier Says

"The Belgian people will do anything for us," writes Pvt. Donald "Smuffy" Smith, New Castle soldier who has already served in both France and Belgium since he was 17 overseas in August.

They're showing plenty of fortitude after four years of German

occupation. Here in Belgium we're sleeping in a barn, on hay, but we're very well off. The only thing is, we don't have any electric lights in the barn so we have to write our letters in the daytime. Next to fruit juice and candy, what Belgium needs is candies.

Serving with the intelligence reconnaissance, Pvt. Smith has been stationed near a number of New Castle people since he was sent across. Serving in the same division are George Zingaro of Grant street, Pfc. Robert Sanders, and Bruce Johnson. In France, Army Nurse Gladys Gibson, 216 Sheridan avenue, and Captain Johnny Zakel, of the Pulaski road, were both in the same town as Pvt. Smith.

## STALIN ASKED TO CONFERENCE

Russian Premier Has Not As Yet Accepted Invitation To Go To London

LONDON, Nov. 10. (INS)—Premier Joseph Stalin of Russia has been asked to visit London for a new conference with Prime Minister Winston Churchill and President Roosevelt but so far has not accepted, although he has not refused either, the diplomatic writer of the London Daily Express said today.

Both President Roosevelt and Prime Minister Churchill, it was pointed out, recognize the difficulties of such a meeting in the British capital since Stalin is in close control of the Soviet war effort. Therefore, it was revealed, they will not press Stalin unduly to journey to London.

It was thought that probably the scene of the meeting would be shifted to the middle east and take place within the next six weeks.

## City Loses Large Sums On Liens By County Tax Sales

City Solicitor Cites Fact That 191 Sales Cost New Castle \$42,764

City of New Castle lost \$42,764 on 191 pieces of property at 164 county treasurer sales, because of delinquent taxes according to an analysis presented to council at a meeting in City hall. A state law was held responsible for the loss.

According to a division of approximately \$88,000, made by County Controller Andrew Dodds, the city was allotted approximately \$21,000. White asserted that the loss on taxes amounted to \$23,154.69 and loss on liens, \$19,609.76. Most of the liens were for improvements.

White said the state law virtually divests the liens because the money for which the properties, mostly vacant lots, went to pay taxes due on the properties.

The solicitor pointed out that on only two of the properties was the price sufficient to realize anything on the liens which comes next to taxes.

White also said that on two of the properties liens to the amount of \$3,158.24 and \$6,262.84, existed—but these amounts too, were a dead loss. Actually, the liens are not worth the paper they are written upon at such times, White asserted.

White believes that competitive bids would bring more money on properties than now realized at such sales. He said the properties should be given advertising to such an extent that real money could be obtained for the properties which might result in recovery of some of the money due on liens.

officers of the Deshon annex sponsors. No commitments were made save for a second meeting to be held on November 21.

Orville Potter, executive director of the sponsors, presided and explained the proposed plan. It would include participation in the party by many organizations, the party committee and officers to be made up of the various representatives and the direction of the party to be under their supervision.

All of the representatives present spoke and endorsed the idea. Each of them promised to lay the plan before their organizations and on November 21 a meeting will be held again. If the plan meets the approval of the organizations and the finances necessary to staging the party are committed, the work necessary to the party will go forward immediately.

## SEEK GREATER C.I. BENEFITS

PITTSBURGH, Nov. 10. (INS)—The Standard Railroad Labor organizations in co-operation with the Railway Labor Executives' association today launched a battle for greater benefits for returning service men.

Two proposals to broaden the rights of railroaders returning from military service were being urged by a special committee in discussions with J. J. Pelley, president of the Association of American Railroaders.

One provides for employees who want to take advantage of free education privileges provided by the GI bill of rights. The other point under discussion is that returning servicemen who would have qualified for vacations with pay, had they been at work, shall be given credit for their military service in computing their vacation rights when they return, a spokesman for the committee said.

### SAILOR BUILDS

#### FRENCH GOOD WILL

NEW YORK (INS)—Another link of friendship between the Americans and the French was welded recently by a kind act of Pvt. Gilbert Acheson of Brooklyn,

stationed "somewhere in France" Acheson was introduced to Mrs. Leone Reingard who told him that her husband Marcel formerly an officer on the liner Normandie, had not been heard from since he escaped from France in 1941.

The soldier wrote to the New

York police department, asking if the Frenchman could be located.

The Missing Persons Bureau contacted the French Naval Mission in New York and was informed that a Lieut. Marcel Reingard was on duty with a French merchant ship at sea. The police asked that

the officer contact them on his return.

He did, and since then has written to his wife and to Pvt. Acheson. He had sent several letters to his wife, he said, and could not understand why she had not received them.

### DRAFT CHARGES

OMAHA, Neb., Nov. 10.—(INS)—Duane L. Traynor, special agent in charge of the Omaha FBI office, reported that charges were filed Thursday at Lincoln against Anthony Ross, 22, of Baltimore, Md., for vio-

lation of the Selective Service Act. Ross, a singer with the Louis Armstrong dance band, was charged with failure to report for induction last August 10, Traynor said. He was arrested yesterday in Omaha.

### EVACUATE PEST

LONDON, Nov. 10.—(INS)—The German Transocean News Agency announced that the male population of Pest, which is that part of Budapest lying on the east bank of the Danube, had been ordered to eva-

cuate, presumably because of an increasing threat to the Hungarian capital by the Soviets.

In about 32 months, approximately 150,000 women have been enrolled for nurses' aid training courses in the United States.

### CONGRESS FACES MANY PROBLEMS

**'Lame Duck' Session Will Reconvene On Tuesday; Adjourns On January 3**

By **RAYMOND WILCOVE**  
(U. S. Staff Correspondent)

WASHINGTON, Nov. 10.—A congress faced many important issues today as it prepared to reconvene Tuesday following an eight-week election recess for a "lame duck" session which will end Jan. 3.

Practically all of the so-called "must" legislation was completed before the house and senate recessed Sept. 20, but pressing problems still remain to be tackled before the final gavel falls on the 78th congress.

One of the most controversial proposals, on which senate leaders had promised a vote, is a joint resolution for a new constitutional amendment giving full rights to women. Both parties have endorsed it, but opposition has arisen in various quarters.

**Pearl Harbor Issue**

The "Pearl Harbor question," a moot issue in the presidential campaign, will rise again as the house and senate face the need for extending for a third time the statute of limitations permitting the courts-martial at some future date for Rear Admiral Husband E. Kimmel and Maj. Gen. Walter C. Short, American commanders at Hawaii at the outbreak of the war. The statute expires Dec. 7, third anniversary of the Japanese attack.

Three postwar public works bills are also high on the unfinished legislative calendar.

The Hayden bill, already approved by the senate, would authorize the appropriation of approximately one and a half billion dollars for rural construction, the federal grants to be met by the states. House Majority Leader McCormack has promised that a federal-aid bill will be "one of the first to be called up" for consideration when congress reconvenes.

### Business Shows Slight Decrease

PITTSBURGH, Nov. 10.—(INS)—According to the bureau of business research, University of Pittsburgh, today the business in the Pittsburgh district last week receded from the relatively high levels prevailing throughout most of October.

tuminous coal production and rail shipments. After adjustments for the usual seasonal changes, the index fell from 175.1 per cent of the 1935-39 average in the final week of October to 173.4 last week, the bureau said.

Steel mill operations in the district were down a share, but no change was reported in the number of active blast furnaces, while bituminous coal production was the lowest in the past two weeks, the research group reported.

### Sounds Like She Didn't Like Him

CAMDEN, N. J., Nov. 10.—(INS)—A divorce on grounds of extreme cruelty was recommended today in Camden chancery court for Allen R. Sailer of Delair, who testified that during his nine years of married life his wife had:

Spit in his face, tried to commit

suicide, cut his leg with a butcher knife, threatened to poison him, hurled dishes at him, proposed wrecking their car at high speed while both were riding, chased him with a club and finally throwing it at him when he refused to stand still, set him afire with a flaming broom.

So the last time she came home drunk and went for a knife, he decided to leave.

## NEW V-2 ROCKET BOMBS HURLED

Churchill Reveals New Weapon Being Used In Attack On Britain

By CHARLES A. SMITH  
(U.S.S. Staff Correspondent)

LONDON, Nov. 10.—The Germans have hurled new V-2 rocket bombs through the stratosphere against England for the past several weeks but the weapon has failed to cause the heavy damage which the Germans have claimed. Prime Minister Winston Churchill disclosed today.

The attacks to date by the missiles which soar 60 to 70 miles into the stratosphere before arcing on a downward course have been insignificant, the Prime Minister said. Churchill declared that appropriate measures will be taken against launching sites but acknowledged that as yet no method had been devised to warn the public of impending danger from the swift-flying missile.

### Have Terrific Speed

The rockets have a speed faster than sound and therefore cannot be detected in the usual manner before they strike.

The V-2s, which the Germans have hailed as more devastating than the V-1 buzz bomb which harassed southern England and the London area for months, landed in scattered parts of the country.

The Prime Minister's statement concerning the V-2s was the first official announcement that this type of bomb actually had been employed against Britain. The Germans had been making announcements for some time concerning their use against England.

A number of the new type missiles, Churchill said, landed at widely scattered points. Casualties and damage, however, were not heavy.

Churchill explained that the V-2 rocket contains approximately the same quantity of high explosive as the V-1 flying bomb but upon landing penetrates more deeply before exploding.

### AIRPORTS TO BE HARD PRESSED

PITTSBURGH, Nov. 10.—(INS)—With its 136 airports, Pennsylvania will be hard put to care for 25,000 planes after the war, Col. William Anderson, director of aeronautics for the commonwealth, predicted. Colonel Anderson told 200 members of the Aero club that the state has facilities to handle only a fraction of such traffic.

## Results In State Will Be Decided By Soldier Vote

HARRISBURG, Nov. 10.—(INS)—State election officials were satisfied today the certification of winners on Tuesday's elections must await the tabulation of more than 230,000 military ballots November 22.

The state election bureau has directed county election boards to keep the military vote separate when members meet at 10 a. m. to count the returns, although the results will be added to the civilian total.

While President Roosevelt's Pennsylvania majority hovered around 67,000 votes with only several pre-

## Whiskey Rationing Period Announced

HARRISBURG, Nov. 10.—(INS)—The tenth whiskey rationing period will begin November 13 and end December 2, the state liquor control board reported today.

Pennsylvanians will be eligible to purchase one-fifth of a gallon by presenting war ration book number three while military personnel will continue to use cards granted by the services.

A board spokesman had no comment on unconfirmed reports stating liquor rationing would be dropped early next year.

The board said whiskey allotments for Pennsylvania licensees will remain at 80 per cent of their former normal purchases while license holders whose "quotas" have been six bottles a week may now obtain 12.

\* State stores will be closed tomorrow, Armistice Day.

## Women Turning To Smoking Of Pipes

CHICAGO, Nov. 10.—(INS)—Pipe smokers, who have stood by smugly during the mad scramble for cigarettes, are due for a rap right where it hurts—in the tobacco pouch—a survey among retail tobacco men indicated today.

The retailers said the shortage looms because cigaret-hungry women have turned to pipes to satisfy their craving for tobacco. A check of Loop tobacco stores showed that nearly 1,000 pipes have been sold to women for their own use in the last two weeks, with a special half-price job proving popular.

## Employment Shows Slight Decrease

HARRISBURG, Nov. 10.—(INS)—Pennsylvania's industrial employment during September was estimated today by the state department of labor and industry at 2,419,351 workers while weekly wages averaged \$41.77.

The department reported an estimated four-tenths of one per cent decrease in employment compared with August and a drop of six cents in the average wage.

One out of every six U. S. nurses is in military service. They are serving in more than 30 countries outside continental United States.

# Some Predictions On Washington Program

By ROGER W. BABSON  
Copyright—1944—Publishers Financial Bureau, Inc.

BABSON PARK, Mass., Nov. 10.—Notwithstanding the results of Tuesday, I now make some predictions as to what will happen at Washington during the next four years.

These forecasts assume the Republicans and the conservative Democrats will combine to control Congress. Taxes will be reduced. A reduction in excess profits taxes will come shortly after the collapse of Germany. Most "nuisance" taxes will be eliminated. Corporation taxes will later be put back nearly to pre-war figures. Personal income taxes should be reduced; but these will be the last to be lowered.

There will be no attempt to balance the budget. This is something to aim for, but it will be done slowly. Too radical cuts could cause deflation which at this time, would be worse than inflation. The United States will, however, diligently work for a better financial setup for which we all should be thankful.

**Coming Foreign Policies**  
Great Britain, Russia and the United States will combine and hold the peace so long as they remain

friends. (China may or may not be admitted to the inner councils.) How long these three great nations will remain friends, is anybody's guess. Other nations will be admitted to some sort of a world organization; but they will not have much to say.

Congress will pass legislation so that our navy and air force can act in emergencies—without the formal declaration of war. But this is a feeble step toward permanent peace. This can be secured only as all nations are willing to give up certain rights as to tariffs, immigration restrictions, natural resource monopolies, etc. I see no sign that the in-coming administration in Washington will do this.

**Aid To Farmers**  
Both farmers and union labor have had their nonemoons. Both

will get less consideration during the next four years. We may, therefore, expect lower farm prices and only a few—if any—wage raises. Certainly the total income of both groups will be much less.

The hourly rate for wages may not be cut; but "overtime" will be out the window. We will go back to the 40-hour week. I strongly advise both farmers and wage workers to begin immediately to "save up money for a rainy day". It surely is coming. Moreover, this would still be true if the election had gone the other way.

**Free Enterprise To Be Tested**  
Both candidates at heart believed in "free enterprise" so long as it will keep people employed. When, however, it does not prevent unemployment the voters surely will demand that something be done. This "something" will be quick remedies contrary to the spirit of free enterprise.

Certainly, much will be done for the returning soldiers, sailors and airmen. Some of this aid will be uneconomic and wasteful; but Washington will be driven to it. Such action will help along the in-

evitable inflation and some day cause us a lot of trouble. This, however, should not come until around 1950.

**Conclusions**  
In short, conditions make Presidents; rather than do Presidents make conditions. The masses of the entire world are on the march. Neither Roosevelt nor Dewey nor an undecided election can stop them. It is mistake to try to block them as did Avery of Montgomery Ward. It is a mistake to cheer them as have many politicians dur-

ing the past two months. The wise man will attend to his own business, keep out of debt, educate his children to be useful and wait for these masses to learn their lesson through experience.

As to the effect of the elections on the markets, I expect no more changes than have already occurred. I am bearish on municipals and other high grade bonds; but am still bullish on most well-selected stocks. I do, however, not like the rails, air-crafts or shipping stocks for the next four years.

**Erect Fire House At Castlewood**  
Building Being Provided For Volunteer Fire Department By Popular Subscription

A. M. Brown of Castlewood reports that the building for the housing of the Castlewood and com-

munity volunteer fire department is well on in course of construction.

The cost of erection of this building is being provided through public subscriptions, and the committee is desirous that those who have promised turn in their money as soon as possible, to help speed the completion of the fire house.

Those who have not been contacted and desire to donate to this worthy project are requested to give their donation to one of the firemen.

**Paralysis Cases In State 1,378**  
HARRISBURG, Nov. 10.—(INS)—Twenty-one cases of infantile paralysis were recorded in Pennsylvania during the past week and increased total outbreaks to 1,378 since the first of the year, the State Health Department said today.

Only Forest, Snyder and Juniata counties have escaped the disease.

## Local Soldier With Heroic Signal Group

WITH THE FIFTH ARMY, Italy. Pfc. Patsy L. Pallero, R. D. 7, is serving with a signal battalion now in its 27th month overseas, fighting in the Gothic line on the Fifth Army front in Italy.

During the Tunisian campaign, when the Second Army Corps was operating as an army, the battalion shouldered the full burden of providing communication for the corps, and later served with the same group in Sicily and southern Italy, when the Second Corps charged across the lower Garigliano river northwest of Minturno to reach the beleaguered Fifth Army forces at Anzio, the battalion was still along. In recognition of its services in maintaining corps communications despite swiftly changing tactical situations, Pfc. Pallero's unit has received the Fifth Army plaque and clasp from the Second Corps commander.

Pythons feed only about once a month.

## OCD NOTES

B. P. Evans has been named marshal of the OCD section which will participate in the Armistice evening parade, Saturday, according to F. T. Sargent, co-ordinator. All civilian defense members are requested to wear arm bands, iron hat and groups from each post will march in their own group in the OCD section. They are ordered to form on Kurtz street between Washington and Produce streets and be ready to march at 7:30 p.m. Reports say that some auxiliary fire companies may have their fire units in the march. Auxiliary police will also be on duty.

## New Castle To Be 'Air-Marked' Again

All Towns And Villages In State To Have Names Laid Out For Pilots To See

With the resumption of a program that was stopped because of wartime safety demands, New Castle and all the small outlying towns and villages will be air-minded as soon as possible. Findley Wilson, operator of the New Castle airport, announced this morning.

Mr. and Mrs. Wilson, and Mr. and Mrs. George Miller represented the local airport at a meeting of airport operators in the William Penn hotel, Pittsburgh, when Col. William Anderson, executive director of aeronautics for Pennsylvania, and Mrs. Blanche Noyes, national director of the air-marking program, explained the need for the program. New Castle and the largest of the smaller communities will be marked first, Mr. Wilson said, but the smallest places will be taken care of

later. In New Castle and other towns with buildings large enough, the name of the place will be printed on a roof. If there is no building large enough to carry the name, it will be marked out in a field with white stones.

The program is a safety measure for the pilots, explained Mr. Wilson. Names of all towns and cities are marked out on air-maps carried in the planes, and if a pilot gets lost he can check the name of a town on his map, and can then set himself on the right track.

Along with other towns in the state, New Castle was marked before the war, but all markers had to be obliterated when war was declared.

### Now Many Wear

## FALSE TEETH

With More Comfort  
FASTEETH, a pleasant alkaline (non-acid) powder, holds false teeth more firmly. To eat and talk in more comfort, just sprinkle a little FAS-TEETH on your plates. No gummy, goopy, nasty taste or feeling. Checks "plate odor" (denture breath). Get FASTEETH at any drug store.

Now every town and village in Pennsylvania will be marked, and the program is also being spread to other states.

The marks will be especially necessary because of the great amount of private flying which is expected

after the war. Civilian flying was resumed at the local airport only in August, and already four young flyers have received private licenses and approximately 60 others are working for their now, Mr. Wilson stated.

The name "triangular trade route" was applied in U. S. history to the route from the United States to the West Indies; from the West Indies to Europe; and from Europe to the United States.

## Jap Rear Guard On Leyte Easily Routed By Yanks

By HOWARD HANDLEMAN

(U.S. Staff Correspondent)

WITH SEVENTH DIVISION ON LEYTE. Nov. 10.—Jap soldiers with patched trousers dropped food, clothing and other personal gear as they fled their rear guard positions on the Burauen-Dagami highway, affording the first evidence that Americans were pressing close enough to create panic in the Jap ranks.

They were still rear guard Japs, hampering the steady march to Dagami as much as they could, but they were an overwhelmed rear guard. In the village of San Diego they clustered under bamboo houses, 20 or 30 under a house, deep in spider holes that left their heads a foot or two underground.

Lt. Col. Albert V. Hart, battalion commander from Bismarck, N. D., rolled his self-propelled artillery pieces through about 20 of these houses and then let his infantrymen pour through the rubble to shoot the Japs in their holes.

Not Like Attu

"These Japs aren't fighting like they did on Attu," Hart, an ac-

countant said. "Up there they really made it tough every foot of the way. Here they have good rear guard positions but they aren't fighting hard from them."

"The natives tell us this outfit wasn't treated too well by the homeland. They rarely got a shipment of supplies. It became so bad the soldiers had to steal food and such things as plain cloth."

The highway from Burauen to Dagami was an infantryman's paradise for a little while with soldiers lined shoulder to shoulder shooting at Japs who didn't shoot back.

A column of 50 Japs or so was seen marching single file toward the rear a thousand yards from the road. They marched slowly, away from Burai airfield where they were retreating from soldiers of another regiment.

The men on the road cut loose with machine guns, mortars and light artillery. Machine gun tracers cut their crazy pattern across the green meadow, plowing into the corpse where there were three brown grass shacks. Mortars sent their heavy black clouds of smoke up from behind the shacks. That was where the Japs had been seen last.

## Victory Crusade At First Baptist Church

Dr. Harry McCormick Lintz Will Open Two Weeks Crusade Here Sunday

Dr. Harry McCormick Lintz comes to New Castle Sunday evening for a Victory Crusade in the First Baptist church.

Those who have heard Dr. Lintz well remember his fearless, forceful and gracious ministry. He has served two churches as pastor, and in recent years has devoted his ministry to the cause of evangelism. He has carried the Gospel to forty-eight states and fourteen foreign countries.

Born in the mountains of Tennessee, Dr. Lintz was graduated from the local country schools, and then from Moody Bible Institute, Carson-Newman College. He also holds a D. D. degree from the John Brown University of Arkansas.

Dr. Lintz will be in New Castle November 12-26, and will speak at the First Baptist church each night at 7:45. The chorus choir during the Crusade will be under the direction of the pastor, Rev. Oliver W. Hurst who will also lead the congregational singing. Special music will feature each service.

## TWO ASPHIXIATED

WILKES-BARRE, Pa., Nov. 10.—(INS)—The bodies of two 17-year-old youths were found in a Wilkes-Barre garage Thursday where they had succumbed to poisonous carbon monoxide gas generated by a truck motor that had been started to provide heat.

Police, who identified them as Charles Pickarski and William Remeiz, said an investigation revealed the youths were employed as truck drivers and decided to sleep in a parked vehicle rather than go home early Thursday morning.

Association Is Formed Of Various Fire Departments In County And Officers Are Elected

Organization of the Lawrence County Firemen's association, from the seven fire departments in the district, has been effected, with Dick Morgan, of the Neshannock Township Fire department, being elected president. The new association includes the departments of New Castle, Ellwood City, New Wilmington, Shenango township, Neshannock township, Perry township at Wurtzburg, and Bessemer, Wampum West Pittsburgh, New Bedford and other departments are expected to affiliate later.

Other officers are: first vice president, C. B. Kingston, Ellwood City; second vice president, W. R. Waddington, Shenango township; secretary, Don Pitzer, Shenango township; treasurer, E. W. Walker, New Wilmington; directors, James Messner, Neshannock township, and Ed. Dean, Shenango township.

The first regular meeting will be held on December 13, at a place to be decided on later.

The association is an affiliate of the Northwestern Pennsylvania Firemen's association, and is formed to promote better fire protection for the county.

Organization of the association was promoted by Chester Shaffer, president of the Northwestern association; Frank Robinson, secretary; and Fire Chief James E. Thomas, past president of the association.

## World Fellowship Dinner Draws 300

Play 'Post-War World', By Shenango Girl Reserves; Dinner Program Highlight

Over 300 women members and Girl Reserves of the Y. W. C. A. and guests joined in the annual Y. W. C. A. world fellowship dinner in the dining room of the Scottish Rite Cathedral Thursday evening.

Seating was according to birthday months, with members of the executive board and committees and club presiding acting as hostesses at the tables. Mrs. J. Glenn Berry presided and led the worship service on the theme, "Lift Up Your Eyes."

Following dinner a period of group singing was led by Miss Esther Gibbons, with Miss Emma Gibbons, Richards at the piano. Feature of the dinner program was the presentation of an allegorical play, "Post-War World", by the Shenango Girl Reserve club. The play is one that was written by a member of the club, Grace McCandless. Miss Frances Booser is adviser to the club. A cast of 39 took part.

An offering for the China Y. W. C. A. was taken during the evening.

## Mother Denies Any Wedding Plans For Kelly And Daughter

CHARLESTON, W. Va., Nov. 10.—(INS)—Mrs. W. E. Connell Jr. of Charleston today said that she did not know anything about the engagement of her pretty, 18-year-old daughter, Jo Louise Elliott, to Sgt. Charles E. "Commando" Kelly of Pittsburgh.

When the girl's mother was told that it was rumored in Pittsburgh that her daughter had caused Kelly to overstay his leave again and she was flashing a diamond ring that he gave her in August, Mrs. Connell said:

"It's a surprise to me that Jo Louise exhibited a ring. I'll have to check and see what it's all about."

Now There's A Way To Prevent Colds!  
Co-Vax cold vaccine tablets are tested and proven  
Co-Vax are cold vaccine tablets (entirely unlike any "cold medicine" you ever used) that are the surest, easiest way to prevent colds and their complications. Each CO-VAX cold vaccine tablet contains 60 billion killed cold germs . . . when you introduce them into your system they cause the production of antitoxins that destroy the germs associated with colds. CO-VAX acts to immunize you against colds just the way vaccination immunizes against smallpox. CO-VAX tablets are easy to take . . . you simply swallow them with a sip of water. And they're inexpensive . . . it costs only a penny a day to immunize yourself with CO-VAX. The more susceptible you are to colds the better the results you'll get . . . tests by physicians show that cold vaccine tablets will keep 87 out of every 100 people from catching cold. Start taking CO-VAX right now, before mid-winter epidemics strike, and give yourself a chance to enjoy the winter.

## Washington Yields 'Boomtown' Title

New York, Chicago Hotels Now  
Bear Brunt Of Wartime Disloca-  
tions; Washington Relieved

By MARTHA KEARNEY  
(U. S. Staff Correspondent)

WASHINGTON, Nov. 10.—The title of "Boomtown, U. S. A." was conceded today to New York and Chicago by hotel associations on behalf of the nation's capital, with the copyright reserved for Saturday night use.

The hotel reservation service sponsored by the Washington board of trade revealed that capital hotels have actually been yielding for paying customers during the past two weeks.

Washington Yields

Hotel men added that with the exception of Saturday nights, the pressure has been so far off that hotels have been gradually getting back to their pre-war business-as-usual standards.

On the other hand, they point out, New York is so hard put to it to supply rooms to hordes of transients and servicemen—as well as resident refugees and war workers—that ballrooms and offices are being converted temporarily into living quarters.

They predict that Chicago will be the next city to strain at the seams with the transient trade as the centers of interest in the country shift westward.

Capital Not Deserted

The capital of course does not in the least resemble an abandoned

mining town. Getting permanent living quarters—if you want an apartment or a house—is still just a little harder than getting tickets to a world's series.

Some New York hotels are warning prospective patrons in paid advertisements that they cannot accommodate them. None of them are looking for the normally sought-after convention trade.

As yet Chicago hotels are not crying for help. Washington hotel managers believe that this happy state is merely the lull before the storm.

The hotel reservation service reports that while it is occasionally difficult or impossible to find a room at a given date in a capital hotel the situation is improved almost 100-percent over last year when clients were frequently shunted into tourist and private homes for lack of hotel space.

The capital is anxious to pass on the title and the de luxe, 24-carat headache that goes with it. Hotel associations are also anxious to hand down to New York and Chicago their worn-out welcome mat—and welcome to it.

VETERAN DIES, AGED 161

OIL CITY, Pa., Nov. 10.—(INS)—John A. Donat, 161, Oil City's last surviving Civil War veteran, died Thursday at the home of his daughter, Mrs. J. C. McMahon.

Born in France, Donat came to this country at the age of six with his parents. He lived in Oil City for the past 11 years.

Donat enlisted at Elmira, N. Y., at the age of 19 and served with the 85th New York Infantry through eight major Civil War engagements. He will be buried at Allegany, N. Y., where he lived before coming to Oil City.

Seventh Ward  
S.C.W. Class Plans  
Christmas Party

Thursday evening, Mrs. W. C. Patterson, of 407 North Cedar street, was hostess to members of the S. C. W. Bible class of the Mahoningtown Presbyterian church, when there was a good attendance. Mrs. Harry Morrison and Mrs. William Horchler were associate hostesses. Mrs. H. B. Sandifer was a special guest.

The devotional period was led by Mrs. J. J. Cunningham.

The following committee was appointed to make arrangements for the Christmas party to be held in the social room of the church Thursday, December 14. Mrs. W. H. Leach, chairman; Mrs. L. M. Wilkins, Mrs. R. L. Drummheller, Mrs. J. J. Cunningham.

A splendid lunch was served by the hostess, and the co-hostesses.

Sergeant's Group  
Praised By British

Staff Sgt. Louis Castrucci of North Cedar street is one of the many soldier-technicians at an Air Service Command depot in England who are now basking in the praise of the British press.

The widely read English "Sunday Express" in a featured article, pointed out that the base's output figures are "among world records", and lauded the soldiers for their part in keeping American planes in control of the skies over western Europe.

"It's good to know that other people think we're doing a good job," commented Sgt. Castrucci. "And we intend to keep it up!"

Sgt. Castrucci is the son of John Castrucci, 8 North Cedar street.

Sgt. Michael Rainey  
Receives Oak Cluster

Staff Sgt. Michael A. Rainey, 19-year-old son of Mr. and Mrs. John Rainey, 213 West Wabash avenue, Mahoningtown, has been awarded the Oak Leaf Cluster to his Air Medal because of his high level of achievement during aerial flights over enemy territory.

Upper turret gunner on a B-24 Liberator, Staff Sgt. Rainey has taken part in bombing attacks on airfields, oil refineries, railroad yards and bridges in Germany, France, Austria, Hungary, Rumania, and Italy.

Germany Says  
V-2 Robots Can't  
Be Combatted

LONDON, Nov. 10.—(INS)—First enemy reaction to Prime Minister Winston Churchill's famous statement on V-2 today came from the Berlin radio which said:

"Today, ears are no more use to the Britishers, even if they strain them to the limit, as one cannot hear these missiles."

"The missiles come down from a great height and race quicker than sound."

"The world has been presented with an entirely new weapon. Hitherto every missile could be heard approaching, giving time to take cover. V-2 has changed all that."

"It is obvious that no defense can be put up against the V-1."

"Reading between the lines of the enemy press you can see now un-comfortable our enemy feels. Morale has certainly taken a step downward in the enemy camp."

"They say that V-2 alone cannot decide the war. We never said it could, but we do maintain that despite all the heavy air raids and other trials has been able to produce a completely new weapon."

This broadcast was made by Germany's new radio commentator Wilhelm Van Offen, and relayed by every transmitter in the German home network.

ST. MARGARET'S SOCIETY

Members of St. Margaret's society who will march in the Armistice day parade Saturday are to meet in the club rooms, North Liberty street, at 6.30 o'clock.

Speed Mail Service  
To Nazi Prisoners

Postmaster William R. Hannaford has been advised by the War department that it is no longer necessary for persons in this country to wait to be informed of prison camp addresses in which American prisoners of war are confined in order to write to them.

Letters may be addressed as follows:

Name and Rank  
United States Prisoner of War in Germany  
Care International Red Cross Directory Service  
Geneva, Switzerland.

The above address should not be used after a definite camp address has been furnished, and no letters may be sent until a definite camp address is received, the War department states.

Pulaski To Dedicate  
Honor Roll Sunday

Service Sunday Afternoon On Town Square Will Dedicate Roll Of 100 Names

At a program to be held Sunday afternoon at 2:30 in the center of Pulaski, an honor roll containing the names of 100 men and women in service from the community and Pulaski township will be dedicated.

Dr. Robert P. Galbreath, president of Westminster College, will make the dedicatory address. Dr. E. R. Tait, pastor of Pulaski Presbyterian church, will preside. Music for the program will be furnished by the Croton avenue service.

In case of rain or storm the service will be held indoors at one of the churches in Pulaski.

Crane Drops Bench,  
Kills Lyndora Man

BUTLER, Pa., Nov. 10.—Seated on a metal bench when a magnetic crane picked it up, John Chuly, 55-year old Lyndora workman, was killed instantly when the operator of the crane released the bench, which then fell on Chuly who had fallen from it.

The bench apparently went up before the operator noticed what had happened, and when he saw Chuly falling from the bench he released the crane. The unusual accident occurred at the American Rolling Mill company plant.

SENTENCED IN SHOOTING

PITTSBURGH, Nov. 10.—(INS)—Robert Gallagher, 25, ex-cab driver, was convicted of felonious assault and battery growing out of the shooting of his dark-haired "girl friend," Mrs. Rose Casciotti, 40, in a lover's quarrel last April, today was scheduled to be sentenced next Monday.

Judge William H. McNaughton was to have sentenced Gallagher today but postponed sentencing yesterday because of the illness of Gallagher. The former taxi driver was denied a new trial by the court en banc.

Japanese Claiming  
Kweilin Capture

CHUNKING, Nov. 10.—(INS)—Japanese forces today stormed the main defenses of Kweilin, capital of Kwangsi province, and pressed from two directions against the city of Luichow, according to a Chinese military spokesman. Luichow, nearly 100 miles southwest of Kweilin, was threatened by one enemy force 20 miles north of the city and another 40 miles to the south.

(Kweilin was "completely captured" at noon today (Japanese time), and the Chinese 31st army has "completely surrendered," according to a Domei dispatch intercepted by the FCC. Tokyo radio earlier claimed that the city of Luichow and the nearby airfield also had been taken.)

Whiskey Holiday  
Set For January

WASHINGTON, Nov. 10.—(INS)—WPB Chairman J. A. Krug announced today that there will be another liquor-making "holiday" in January and that the beverage alcohol industry probably will be released from the manufacture of whiskey and other spirits from time to time during 1945.

Krug said the war program will not need the beverage plants during January for making industrial alcohol but that the distillers will return to industrial alcohol production in February.

The January release, Krug said, has been made possible through a reduction in requirements of alcohol for synthetic rubber during the fourth quarter of this year.

St. Mary's Sodality  
Has Quiz Program

At the meeting of the Young Ladies Sodality of St. Mary's church Thursday evening in the church hall, a personality quiz program was presented with Mildred Stinard of the social life committee in charge.

Prefect Margaret Valley was in charge, and Dorothea Donegan, chairman of the Our Lady committee, gave an excellent talk on "Our Lady of Fatima." Rose Mary Schoedel spoke on "Beatification and Canonization."

Rev. Fr. Ignatius Koller, spiritual director, gave remarks on the welfare of the sodality. The hymn, "Mother Beloved," brought services to a close.

Fifty babies are bathed every night in a cave in South England by a Red Cross and St. John "Bath Unit."

## Third Thanksgiving Day Wartime Dinner Poses Some Problems

"If turkeys are around, eat turkey; if they're not, there's always chicken," stated home economics teacher Mrs. Viola Sadler when asked for suggestions about America's third straight wartime Thanksgiving.

"One sure thing," she laughed, "people are going to be using fresh cranberries instead of canned cranberry jellies this year; the points are a little too much for most housewives to spare."

Whether turkeys are plentiful or not seems to be still a moot question, according to dealers around town, but with the government trying to guarantee a turkey dinner for every soldier boy, it is probable that the non-fighting population will find the birds somewhat scarce.

Canned pumpkin and canned mince meat are both on the point-free side of the ledger, however, making the Thanksgiving dessert a sure thing, at least. The vegetables and fruits will be much in evidence too—bright yellow squashes, for color on the table even if you don't like the taste, onions for stuffing, mashed and sweet potatoes, apples for spiced applesauce and fresh cranberries, high-priced but plentiful.

"At our house, we have the same sort of Thanksgiving dinner they always have in New England where I grew up," said Mrs. Sadler. "Turkey, if you can get it—mashed potatoes, rutabagas, stuffed onions, cranberries, celery and olives, mince meat and pumpkin pies."

As far as the turkeys go, people are beginning to look for them already—not, however, for their own Thanksgiving dinners, but to pay off election bets. Apparently the birds are really as good as gold this year.

## Local Soldier Has Jungle Infection

Tech. Sgt. William J. Clements To Soon Return From New Guinea For Treatment In U. S.

Word has been received by Mrs. Florence Davies and Mrs. Margaret Book, of Neshannock avenue, from their sister-in-law, Mrs. Norma Clements, of Benning, Minn., that she had a communication from the Lieutenant of her husband, Tech. Sgt. William J. Clements, stationed somewhere in New Guinea. The Lieutenant stated that Sgt. Clements is confined to the hospital there, since September 25.

Sgt. Clements was unable to write as there is a jungle infection in his hands and feet. He will soon be returned to a hospital in the United States for treatment.

## PLAINGROVE

### SENIORS PRESENT PLAY

Seniors of Plaingrove high school presented the play, "Aunt Emma Sees It Through," Friday evening at the school. The cast was as follows: Louise Adair, Evelyn Maxwell; Kathryn Adair, Gloria Schupp; Aunt Emma, Donna Hammersmidt; Dick Christianson, Walter Lutz; Jack Norris, Ansel Seth; Bud Gates, George Crawford, and Joe Sparks, Tom Dougherty.

Music was furnished by the high school orchestra, under the direction of Richard Patterson, supervisor of music. Walter Lutz was stage manager, while Dorothy Martin acted as prompter. The play was directed by Miss B. G. Cas-trucci.

### PLAINGROVE NOTES

A rousing serenade was given to Mr. and Mrs. Elmer Hammersmidt

Tuesday evening. The couple was given a ride on a hay wagon, driven by a tractor. The serenaders were given a treat of candy and cigars.

Mrs. Mont Minor, Mrs. Gladys Neely, Given Shaw, Floyd Rodgers and Ansel Connell were on the election board at the Grange hall Tuesday.

Mr. and Mrs. Herbert Wallace called on Mr. and Mrs. John Young Sunday. They also called Sunday on an aunt of Mr. Wallace, Mrs. Mary E. McClymonds, of Rose Point.

Carol Louise is the name chosen for the daughter born to Mr. and Mrs. Robert Burns November 3 at the Bashline-Rosman hospital.

Mrs. Charles Knorr of Washington, D. C., recently spent a day with her sister, Mrs. Edith Gardner. Mrs. Gladys Neely spent the week-end at State college with her daughter, Miss Madge Neely, a student there.

Miss Bernice Edie of East Brook spent the week-end with Miss Elmer Gardner.

Mr. and Mrs. John Bartholomew and son of Grove City, were Wednesday visitors of Mr. and Mrs. S. S. Patterson.

## Cosmo Club Has Armistice Party

Cosmo club members gathered Thursday evening in the Cosmo club rooms, North Mercer street, at which time, they heard Attorney Benjamin Marks, of Sharon, speak on Armistice Day.

Music was furnished by the Jewish service men and their efforts towards an early Armistice. His talk was well received.

An Armistice party was enjoyed at this time, with entertainment and refreshments being featured later in the evening.

S. Cohen and D. Rosenblum were co-chairmen on this occasion.

## BEAVER TWP.

**THANK-OFFERING SERVICE**  
Rev. Jay Ranson, a missionary of the United Presbyterian church to India, now home on furlough, was the main speaker at the Thank-Offering service of Rocky Springs U. P. church Thursday evening, November 9.

Each of the four missionary societies took part in the program. Special music was presented. The Thank-Offering also was received.

Preceding the program, the congregation enjoyed a basket picnic dinner at 7 o'clock.

**BIG BEAVER GRANGE**  
Big Beaver grange will meet at the hall Tuesday evening for the annual election of officers for the year 1945. A special program is being arranged for the meeting the last of this month.

A farm products show was a special feature of the last meeting October 31. Lewis Dayton, Lawrence county farm agent, and Miss C. W. Anders, Beaver county home economic representative, were speakers at that time.

### GRANGE LADIES CLUB

Members of Big Beaver Grange Ladies club will observe the 17th anniversary of its organization as an auxiliary to the grange on Wednesday, Mrs. A. W. Leslie, Mrs. C. T. Douthitt, Mrs. W. A. Scott and

Mrs. W. N. Walker will be the hostesses in charge of the dining room and arrangements for the covered dish dinner that will be served.

A special program has been arranged by Mrs. James Beatty, Mrs. W. H. McCullough, Mrs. Frank Jenkins and Mrs. W. B. McGeorge. Roll call will be answered by giving a Bible verse, containing the word Thanksgiving, and the name of your guest.

New officers for the year are: Miss Grace E. McHattie, Mrs. Robert Jackson, Mrs. W. W. Willis, Mrs. R. S. McAnlis and Mrs. Chester Leslie.

**BEAVER TOWNSHIP NOTES**  
P. J. Wells, of Big Beaver, who recently sold his livestock and farm implements at public sale, plans to leave soon with his son for a few months' visit in Arizona.

Mr. and Mrs. John Lusk and sons, Charles and Carl, of New Brighton, have concluded a week's visit with relatives and friends here. The Lusk family plans to leave soon for California to make their future home.

Mrs. Eva McHattie and Mrs. Viola Baker, of Big Beaver township, Beaver county, accompanied Mrs. Elizabeth Reno and Mrs. J. W. Heasley, of Lawrence county, by train to Mt. Dora, Fla., to spend the winter. They left Monday morning.

Benjamin Russell, Mr. and Mrs. J. G. Russell, Mr. and Mrs. Charles Stewart, Mr. and Mrs. Chester Stewart, Mr. and Mrs. Harry White,

Mr. and Mrs. F. L. Wilson and daughter and granddaughter, of Little Beaver, attended the funeral service Wednesday for the former's sister, Mrs. Alice Stull, at the home of her daughter, Mrs. Harman Andrews, of Warren, O.

Mrs. Inez McKim and son, Keith, of Big Beaver, were recent guests of Mrs. McKim's two sisters in Warren, O.

Mr. and Mrs. Thomas Fry, a bride and groom of recent date, have concluded a visit with his parents, Mr. and Mrs. L. W. Fry. The groom returned recently to California from overseas duty in the aviation department of the Navy.

Mrs. Fred Kinney, of Independence, Pa., spent a few days recently with Mrs. A. F. Arnold.

Cpl. Fred Keane has returned to army camp after enjoying a few days' visit with his wife and small daughter, Charlene, of Big Beaver township.

Arthur Williams has returned to California for reassignment at the close of a 30 day furlough, spent with his mother, Mrs. Shirley Williams, of Little Beaver. This was his first visit home, having been in the service over two years. He has been overseas in the South Pacific area with the U. S. Marines. He has three brothers in the service.

Ensign Charles McCullough has concluded a few days' leave with his parents, Mr. and Mrs. W. H. McCullough, of Big Beaver. He com-

pleted the first part of his training at Princeton University, N. J., and reported Monday to a naval training station in the southern part of Florida to continue his studies.

The Baker family had its reunion and Thanksgiving Day dinner Sunday at the Howard Creese home in Big Beaver. It took place Sunday so their mother, Mrs. Viola Baker, who left for Florida the next day, could be present.

# New Castle To Close Season At Warren

## Face Formidable Foe In Harding Eleven Tonight

New Castle Hopes To Keep  
Warren From Big Score  
In 1944 Finale

Three Regulars Play Final  
Game For "Red Hurri-  
cane" This Evening

New Castle High school football team reaches the end of a rugged 1944 gridiron season tonight at Warren, O., meeting the formidable Warren Harding High eleven under the lights in the Ohio stadium. The kickoff will occur at 9 o'clock New Castle time, or 8 o'clock Warren time.

Three New Castle regulars and three first string subs will don their red and black regalia for the final time—Billy Andrews, the right half-back, Freddie Wimer, right end, and Eddie Jackson, left end, from the starting eleven, and the first string subs Joe Kulnis, a center, Guy Elisco, a tackle, and Mustapha Hassan, a guard. Dick Fehnenbach, a senior, also has not seen much action this year, being crippled in a lamp.

**Victory Hopes Slim**

New Castle's hopes of victory over Warren are rather slim, with the Warren team sporting seven first-stringers who started the game played here last season. Injuries and inexperience will tell with New Castle in this final game. New Castle hopes to keep the score as low as possible.

Head Coach Phil Bridenbaugh would not venture a guess as to his starting backfield. It will probably

## Start Probe Of Turkey Prices

PITTSBURGH, Nov. 10.—(INS)—An investigation was launched today by the OPA to protect the retailer and the consumer from black market prices on Thanksgiving and Christmas turkeys.

Growers and wholesalers have de-

clared that they cannot make any profit and keep within ceiling prices.

The growers' complaints to the OPA resulted in the investigation. Basis of the study, Samuel Chertoff, administration attorney, explained will be sales vouchers showing prices of transactions between raisers and retailers. All violators will be brought to court and prosecuted, he warned.

## Crucial Test For Ellwood Tonight

Must Defeat Aliquippa To  
Earn Right To Battle  
Donora For AA Title

Kickoff At 8 O'Clock, Crowd  
Of 7,000 Expected, Grid-  
ders Anxious

(Special To The News)

ELLWOOD CITY, Nov. 10.—With an estimated 7,000 fans looking on tonight under the lights of Lincoln field, the undefeated and untied 1944 Ellwood City High Wolverine football team, dubbed the "Cinderella" team, faces the supreme test in the Aliquippa High Steelers. The kickoff is slated for 8 o'clock with a teaming sea of humanity strung out around the field and in the stands.

Ellwood has the following on the line tonight:

1.—An undefeated and untied season of eight straight wins.

2.—Six class AA games on the right side of the ledger.

3.—Five Beaver valley wins already chalked up.

This game was originally set for Friday, October 20, and was called off by a rainstorm. Aliquippa has lost one game since that time to Ambridge 7 to 6. Ellwood has kept on winning. The only comparison in scores can be taken from the Aliquippa 27 to 0 win over Beaver Falls and the 18 to 0 win over Beaver Falls for Ellwood last week. Ellwood played at Beaver Falls, while Aliquippa was at home when they played the Tigers.

**Must Stop Potoczny**

Ellwood City will have to devise some means of stopping big Joe Potoczny, the Aliquippa fullback, who is the works with his big frame and fast legs. He is hard to bring down. The whole Steeler offense is built around this Potoczny chap.

Will Carl Aschman's 11 "Iron Men" be able to keep up the pace tonight against the inspired Ellwoodians? This is the big question. The Aliquippa team does not have a strong reserve team and will be materially weakened if forced to substitute very often. Ellwood may take advantage of this situation, if it is a ball game, the likes of which it is shaping up to be.

Ellwood won from Aliquippa last year 12 to 0, but are not thinking

about that. This year is the big test and Ellwood must win tonight to earn the right to battle the Donora Dragons for the class AA WPAL title.

**Can Match Backs**

Coaches Gills and Wallace of Ellwood City will be able to match anything in backfield material that Aschman has to offer. Ellwood has its Billy McClintick and Vince Manauzzi at the halfback posts and good fast men, both of them, and also shifty runners. Aschman has Smisko and Curt Pettis, the latter a colored boy, running his halves, and both are good, but no better than Ellwood can offer.

Desport at quarter has an edge on Vurdella, the Aliquippa signal barker, inasmuch as Desport is a dangerous passer and Vurdella just fair. In fact Aliquippa is sadly lacking in the air lanes, whereas Ellwood City has a passing attack that will thrill the fans just as they did in the Butler game when five touchdowns came on passes.

**Lineups and Numbers**

Following are the probable lineups for the biggest game that Ellwood has experienced in many years:

Ellwood City	Aliquippa
48-Cartwright L. E.	Waters 69
72-Lucas L. T.	Yagerick 77
57-Chiaro L. G.	Bonomi 70
46-Generiva C.	Young 73
44-F. Kovack R. G.	Tselpis 64
45-Cintanni P. T.	Georgakis 89
67-Presto R. E.	Mihalcin 76
40-Desport Q. B.	Vurdella 64
31-McClintick L. H.	Smisko 56
42-Manauzzi R. H.	Pettis 55
41-Tillia P. B.	Potoczny 72

Time of kickoff, 8 o'clock.

## Hickory Hi Joins Tri-County Loop

Milton A. Pattison, principal of Union high school and secretary of the newly created Tri-County Athletic League today announced that Hickory high of Mercer County has accepted a berth in the league and will play football next year. William Ritter is the coach.

Hickory has been without a grid team for a few years but has decided to take up the sport again.

Wake island's area is one square mile.

## Temple And State Battle Saturday

PHILADELPHIA, Nov. 10.—(INS)—Temple's Owls worked overtime today on defensive drills in preparation for their clash tomorrow with Penn State's Bulldozer squad which romped over Syracuse 41-0 last week. George Waltzer, marine veteran who took part in several invasions of Jap-held islands, was expected to be in the starting lineup of the Nittany Lions.

## New Pro League To Have Meeting

PITTSBURGH, Nov. 10.—(INS)—Roland Payne president of the United States Football league, today announced that delegates from 11 cities would meet at Baltimore Nov. 18 to discuss plans for a 1945 pro grid schedule.

Payne said delegates from the following cities would be present at the meeting of the new league: New York, Baltimore, Philadelphia, Washington, Chicago, Honolulu, Cincinnati, San Francisco, Los Angeles, Pittsburgh and Akron, O.

## HERE AND THERE IN SPORTS' LAND

SOME of the the boys who trot together were discussing hunters and dogs recently and among the names mentioned was that of Patsy Hayden which revived our memory. Years ago Patsy now and then stepped away from shoeing horses to do battle in the squared arena. In those days the members of the Tin Ear fraternity asserted that seldom did Patsy sleep in a bed. He preferred the floor of his bedroom. According to the discussion last night Patsy is a coon hunter and further, he is said to own some of the best coon dogs in this vicinity. He is now employed at Douds, our informants stated.

Ordinarily city hall officials and employees do not wager, that is, publicly. However, when politics creep in, one may be assured there'll be a bet or two. Several days prior to the recent election a pool was made up, the winner to be he or she who came nearest to the Republican plurality in Lawrence County. Director of Finance Albert Hoyland won the pot. He wrote down 1,800. Bill Piliant was second in line for the money with Streets Department Director Jim Gibson, third. So, if you see Finance Director Hoyland smoking El Products, every puff of smoke will be a thank you to others who were in the pool.

Philadelphia and Washington are deadlocked with two victories and one tie in the Eastern Division of the National Pro Football league while Green Bay leads the Western Division with six victories and one loss. Philadelphia has scored 142 against opponents' 62 points; Washington has earned 125 against 89 opponents' points and New York 107 against 41 opponents' points. Green Bay has scored 161 against 90 points for opponents. The standing: Eastern loop, Philadelphia, Washington, tied for first, with New York, third, Boston and Brooklyn are next in order named. In the Western loop, Green Bay has a three game edge on the Chi-Bears with Cleveland, Detroit and the Steelers-Cards last.

NEW YORK, Nov. 10.—(INS)—Sammy Angott of Washington, Pa., former lightweight champion but now a welter was rated a 2 to 1 favorite today to defeat Jimmy McDaniels, rising star of Los Angeles in their ten-round bout tonight at

the top of a Madison Square Garden card.  
The tough and seasoned Angott is regarded as too campaign-hardened for McDaniels, who fairly recently rose to notice in the east after knocking out 19-year-old Aaron Perry of Washington, D. C. The tip-off on the relative abilities of the fighters is indicated in the fact that McDaniels is an able body-puncher, but body-punches are Angott's dash.

## Robinson Says, Watch Upsets

INS Sports Writer Picks  
Army Hesitatingly To De-  
feat Irish Of Notre  
Dame

By PAT ROBINSON  
(International News Service Sports Writer)

NEW YORK, Nov. 10.—The stage seems set for some football surprises this week and brother punters are hereby duly warned against going overboard on "sure-thing" favorites.

We may find some of the surprises among the half dozen stand-out games on tap. In these the Broadway bookies have installed Army favorite over Notre Dame, Georgia Tech over Tulane, Wake Forest over Duke, Illinois over Michigan, UCLA over California and Oklahoma Aggies over Texas.

Sees Close Game  
We feel tempted to pick Notre Dame to upset Army on passes but the cold dope says Army, like Navy, has too much power and speed and we must string with the Kaydets in a game we think will be much closer than Army backers believe.

But we are going to take a flyer on Duke to hand Wake Forest its first defeat, Texas to trim the Aggies, and Michigan to check Buddy Young and Illinois. We will, however, string along with UCLA to trim California.

Just in case these stabs go wrong we will quickly shove in Ohio State to slaughter Pitt, Bucknell to crush CCNY, Penn to wallop Columbia and Navy to call its shots against Cornell. It's picks like these that make a selector look good in the average.

## TRAPPERS' CATCH IN STATE HEAVY

Report Trappers Took 991,942 Pelts  
Worth \$2,162,676 In Three  
Months

HARRISBURG, Nov. 10.—(INS)—Pennsylvania trappers took 991,942 fur bearing pelts valued at \$2,162,676 during the 1943-44 three-month season, the State Game Commission announced today.

Last year's catch exceeded that of the previous season by 212,664 animals with pelts valued at \$909,799. The trapping period extends from November 1 to January 31 for most fur bearing animals.

Tabulations from more than 400 fur dealers showed the following pelt bag: muskrats, 610,968; skunks, 163,584; minks, 10,785; opossums, 110,850; beaver, 1,281; otter, 21; raccoons, 46,692; weasels, 25,529; red foxes, 11,850; gray foxes, 10,354; wildcats, 30.

A commission spokesman attributed the increase in skins taken to a wartime demand for commercial furs.

be Sallie at quarter, Andrews and Flora at the halves and Walls at fullback or it may be Wimer. Benigas is definitely out of the game with a recurring knee injury in the game at Alliquippa.

Can Shoot Works  
New Castle can shoot the works tonight. It would not surprise the writer to see New Castle open up with an assortment of passes against the big Warren team. New Castle has everything to gain and nothing at stake in this contest. The New Castle team was to leave tonight shortly after supper for the Ohio city. Quite a large crowd of students and fans were to follow the "Red Hurricane", it was indicated.

Following are the probable line-ups:  
New Castle Pos. Warren  
Jackson L.E. Corbin  
Furst L.E.T. Bevan  
Stewart L.G. Cupples  
Reed L.C. Polena

## Fair Or Foul

By LAWTON CARVER  
(International News Service Sports Editor)

NEW YORK, Nov. 10.—For the first time in the history of Army-Notre Dame football rivalry, the Cadets are lop-sided 3 to 1 favorites to take the so-called Irish Saturday afternoon at Yankee stadium. The Army figures to win the game with a superior line and a team which has been free-wheeling all season, but does anybody seriously believe that any team at any time is a solid 3 to 1 over the outfit which year in and year out comes up with more good teams than any other in this broad land of ours?

No Notre Dame team is ever so bad as to be 3 to 1 underdogs.

No football team of any class at all—and Notre Dame does have class—can be dismissed as beaten before the game starts, the surprising situation which prevails now. Carver Skeptical

Of course, writing about it this

way is likely to make some of the kibitzers think that a buildup is on for Notre Dame. But I just don't think Notre Dame is ever that bad and I'm still going to feel that way about it when the game is over. In my book anybody who lays 3 to 1 against Notre Dame is a sucker, even in the face of what happened to them last week against the Navy team which all of a sudden came to life with perhaps the best line in the game this season.

Army had better have a good line and a flock of good backs in shape Saturday. That's all I care to say, which leaves me in position after the game to mention that I foresaw an Army defeat (in case Notre Dame wins) and to say I didn't pick either team (if the Irish come through as expected.)

Angott Should Win  
Unless Sammy Angott, now a welterweight, has slipped back so badly that he can hardly get his hands up, he figures to give Jimmy McDaniels some lumps in Madison Square Garden tonight.

McDaniels, who comes from Los Angeles, has won six straight fights in the East, including a pair in the Garden, and he is a real authoritative body-puncher. But he hasn't met the likes of Angott so far.

The latter has been campaigning for a decade, has won undisputed recognition as lightweight champion, has dropped only two decisions in nine starts at the Garden and has never been stopped.

He beat Lew Jenkins, Bob Montgomery, Allie Stolz, Willie Pep and Bobby Ruffin at the Garden; boxed a draw with Beau Jack and lost to Ray Robinson and Henry Armstrong.

Angott is just around 30 years old, so isn't too far gone in age to tackle the likes of McDaniels, who has been a winner during wartime and therefore in many respects a very lucky young man. He has had soft touches. If he beats Angott it probably will mean the end of that young man's career around here, and Angott has shown no indication of being ready to call it quits.

Bill Paschal of the New York Giants is headed for the National Football league ground-gaining title again. The 205-pound ball huffer took honors last season as a freshman and is leading the circuit in that department again this year. The former Georgia Tech ace now leads Johnny Greigas of the Car-Pitts.

## LEGAL NOTICES

An Ordinance  
Prohibiting parking on the South side of Long avenue between Pennsylvania avenue and Moravia street, in the Fifth and Eighth Wards, and providing penalties for their violation.

SECTION 1. BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF NEW CASTLE, PA., THAT parking of vehicles of any kind is prohibited on the South side of Long avenue between Pennsylvania avenue and Moravia street, in the Fifth and Eighth Wards.

SECTION 2. Any person or persons who shall violate the provisions of this Ordinance, upon conviction, shall pay the fine imposed by the Motor Vehicles Penalty Ordinance No. 4589 of the said City, to-wit:

A fine or penalty of not more than One Hundred (\$100.00) Dollars and cost of suit, and in default of payment, may be committed to the City or County Jail for a period not exceeding Ninety (90) days.

SECTION 3. All Ordinances or parts of Ordinances, which are inconsistent with the provisions of this Ordinance, are repealed to the extent of such inconsistency.

C. E. Brown, City Clerk of the City of New Castle, do hereby certify that the above said foregoing ordinance was adopted by Council, October 26th, 1944, signed by the Mayor and attested by the City Clerk.

In witness whereof, I hereunto set my hand and affix the seal of the City, this 26th day of October, 1944.

C. E. BROWN, City Clerk

## AVIATIONS, RAILS FEATURE MARKET

## Volume Starts Off Good Today, But Quiets Down; Aviation Stocks Soar

NEW YORK, Nov. 10.—(INS)—The railroad and aviation shares held the stock market spotlight again today.

While most of the list meandered around in a meaningless pattern, these two divisions moved ahead in impressive fashion, although gains in rails were far smaller than in the more volatile aviations.

Volume started off at a good rate but quieted down.

In the air division Douglas rose a full point, and United Air Lines nearly as much, the latter on an exceptionally good earnings report. Other shares here added fractions.

N. Y. Central was about the most active of the carriers on the basis of its 31 dividend declaration. It gained a quarter, while Southern Pacific and others rose eighths.

Steels and motors were unchanged to lower. Oils and amusements lagged. Liquors showed little reaction to the Washington announcement of the long-awaited holiday, set for January.

Curb prices were mixed. Bonds were firm.
